

Effective 5/10/2016

58-17b-905 Participation in program -- Requirements -- Fees.

- (1) An eligible donor or an eligible pharmacy may participate in the program.
- (2) An eligible pharmacy:
 - (a) shall comply with all applicable federal and state laws related to the storage and distribution of a prescription drug;
 - (b) shall comply with all applicable federal and state laws related to the acceptance and transfer of a prescription drug, including 21 U.S.C. Chapter 9, Subchapter V, Part H, Pharmaceutical Distribution Supply Chain;
 - (c) shall, before accepting or dispensing a prescription drug under the program, inspect each prescription drug to determine whether the prescription drug is an eligible prescription drug;
 - (d) may dispense an eligible prescription drug to a medically indigent individual who:
 - (i) is a resident of the state; and
 - (ii) has a prescription issued by a practitioner;
 - (e) may charge a handling fee, adopted by the division under Section 63J-1-504; and
 - (f) may not accept, transfer, or dispense a prescription drug in violation of the federal Food, Drug, and Cosmetic Act, 21 U.S.C. Sec. 301 et seq.

Enacted by Chapter 405, 2016 General Session
